

bulged: If a container bulged, its sides stuck out like it is going to burst.

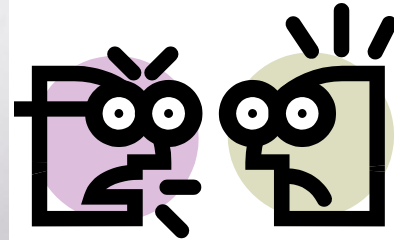

The holiday sack bulged with toys for the wonderful children.

jostled: When you jostle people, you bump them or poke them to make them move.

The soccer player jostled his opponent when he was trying to get to the ball.

argue: When you argue with someone, you disagree loudly.

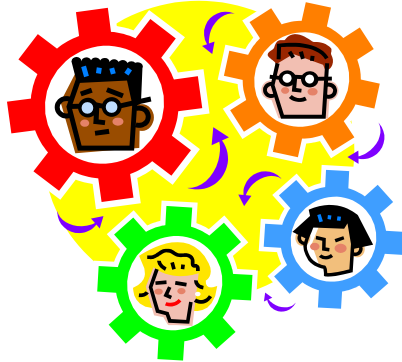

I feel bad when I argue with my brother and sisters.

command: When you command someone, you tell him or her what to do.

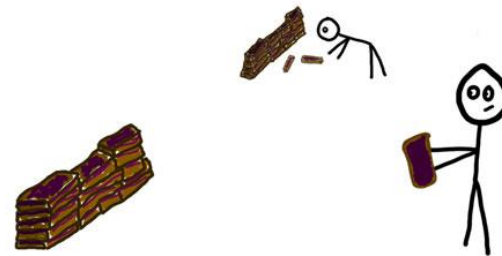

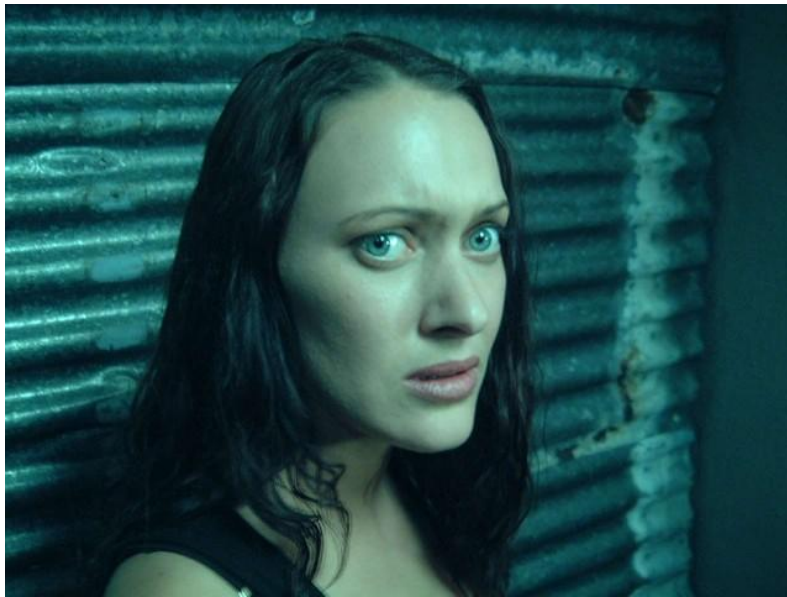

My dog does a good job sitting when I give her the command to sit.

labored: If you are labored, you worked very hard.

After I labored in the sun all day, I got home and was very tired.

wary: When you are cautious and unsure about something that might be dangerous, you are wary.

Meg was wary of being able to complete the project by herself.
