

incident: An incident is something unusual that happens and often is an accident.

Daily American Republic / Paul Davis

The boating incident was scary to witness.

gradual: If something happens in a gradual way, it happens slowly.

This bar graph shows a gradual decrease in numbers of students.

downpour: A downpour is a large amount of rain that falls in a short time.

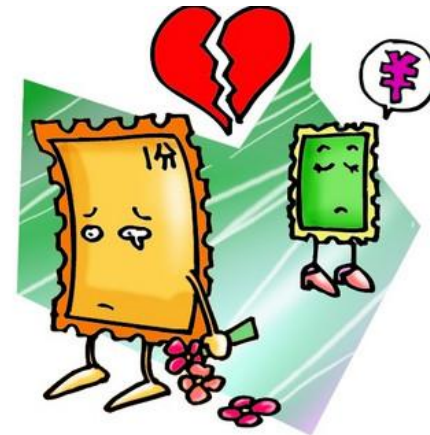

Have you ever been in a downpour of rain without an umbrella?

seek: When you seek something, you look for or try to find it.

I enjoy when we play hide and seek at recess.

oblivious: If you are oblivious to something, you do not see it or realize it is happening.

The girl was oblivious to the fact that she had hurt Chuck's feelings.

indecisive: When you are indecisive, you cannot make up your mind about something.

Spike was indecisive about where he wanted to go for his birthday dinner.
