

fondly: When something is done fondly, it is done in a caring, loving, or tender way.

The parents smiled fondly at their baby.

pale: If something is pale, it is very light or without much color.

Artwork done with pale colors can be very soothing.

shadowy: If a place is shadowy, it is not in the light; it is shady.

Shadowy pictures can be scary if you don't know what you are looking at.

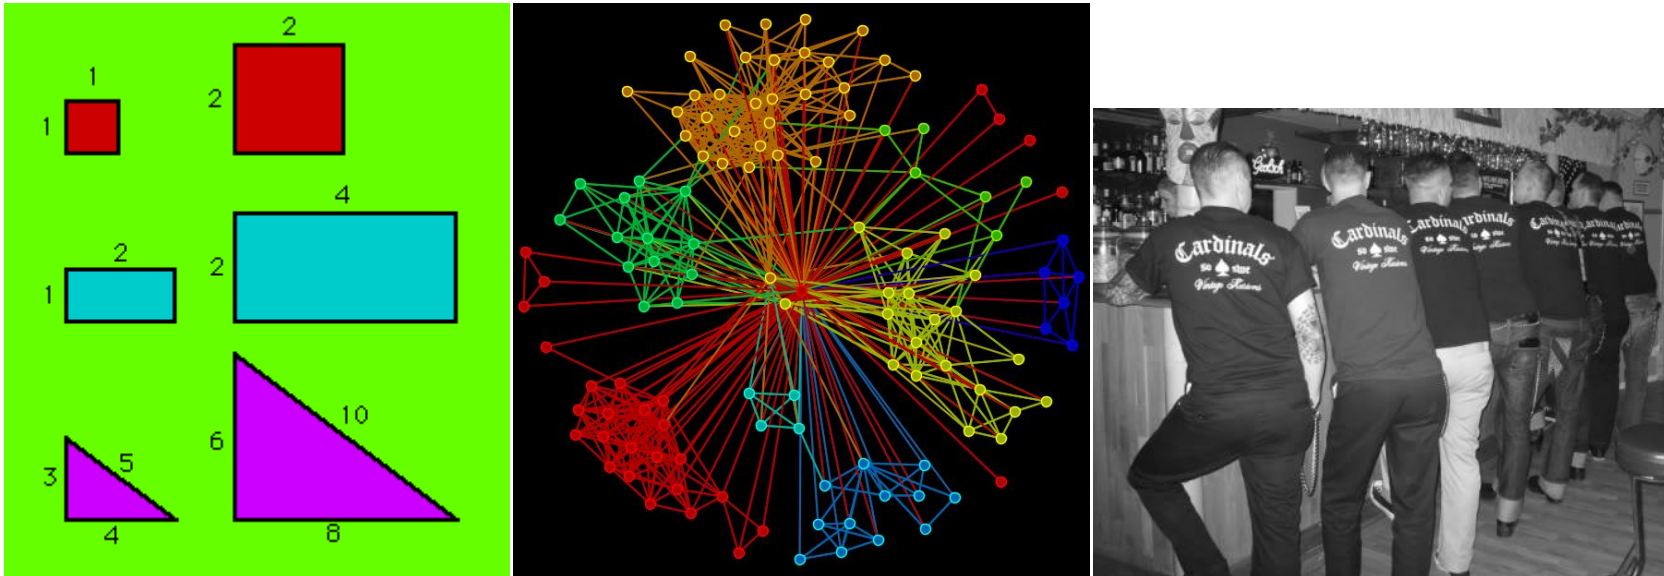

imaginative: If you are imaginative, you are good at coming up with ideas and picturing things in your mind.

It is fun to be imaginative with story settings when you read a book.

similar: If two things are similar, they are alike in some ways.

The men are all wearing similar shirts.

affectionate: If you are affectionate, you like to show you love someone by hugging or cuddling.

I enjoy when my dogs are affectionate with me when I get home.
